

Drivers Needed for Senior Adults

There is a growing need among our Senior Adults who don't drive much for rides to local doctors and pharmacies. Rarely, a ride may be needed to Birmingham. If you are willing to be on a list to be contacted, for a possible ride, please fill out this form and see Nancy Fischer at the end of the service today. Please fill out this form if you **need a ride** also.

In general, you will be contacted several days in advance. Our preferred method to let the need be known is through email, if you have it. We will put out the information and ask you to RSVP with a "yes", or "no". We understand that a need may not always fit into your schedule, so you are never obligated to drive. If you do not have email we will call you.

We are also exploring the possibility of running the van, or personal cars, to give rides to evening events at the church for Seniors who do not drive at night. If you are willing to pick someone up on a regular basis, please let us know below.
